

BIBLICALLY CENTERED COUNSELING

BCC is a Private Practice in Mount Joy Pennsylvania offering to local Evangelical Churches a reasonable alternative to the synthesized, medical model to help hurting hearts.

As a member of NANC (National Association of Nouthetic Counselors) our counseling is based on confronting and solving the root of the problem - sin - and encouraging correct decisions and actions.

Dr. MacKenzie is also a member of the Association of Biblical Counselors which is a ministry that is dedicated to equipping, empowering and encouraging all believers everywhere to live and counsel the Word.

WHAT IS BIBLICALLY CENTERED COUNSELING?

Basic Counseling Philosophy:

Biblical counseling is based on two Greek words: *noutheteo* or *nouthesia* and *parakaleo* or *paraklesis*. The first is directive and confrontational and the second stresses comforting, encouraging and supporting.

I like what Paul David Tripp states in [Instruments in the Redeemers Hands](#)

"Personal counseling ministry is not just about confronting people with principles, theology or solutions. It confronts people with the God who is active and glorious in his grace and truth, and who has a rightful claim to our lives. Only as our hearts are transformed by his glory will the principles of Scripture make any sense to us."

"When you know the truth, the truth will set you free"

MY APPROACH

My passion is to relieve the local church pastor from his heavy counseling responsibilities. Since I am seeking to be an outside resource to his church, I will give him general progress reports of the clients he sends. I seek to minister in the power of the Holy Spirit backed up by daily prayer.

HELP FOR THE CLIENTS

Issues counseled include marriage and family, depression, fear, conflict resolution, anger management, grief, development of a moral defense system, and many other difficulties.

HELP FOR THE CHURCHES

Centered around the local church

Conducting seminars for training of deacons to become Ministers of Mercy. Taking God's Mercy to care for the poor, widows and orphans, and needy of a congregation and community.

Supply preaching and interim pastoring. I do mentoring/coaching of pastors based upon my 28 years experience as a senior pastor and 15 years working with an association of 120 churches as a pastor to pastors and negotiator of church problems.
