## What's next?

Having experienced a Sunday at NewSong you may be asking, "What next?" Well, we do not want you to go away wondering. The remainder of this pamphlet will highlight for you the essential elements we suggest you experience as you determine whether NewSong is the place for you.

### **Discover NewSong**

Once a month there is a class offered at NewSong Institute called Discover NewSong. Designed to inform you about the church, this class will answer all of your questions and give you the information you need to make a clear decision as to whether NewSong is the place for you. Be sure to check the bulletin for the next offering of this class so that you can RSVP and get "connected."

### **Small Groups**

Life is hard. The thought of going at it alone can be overwhelming. We need each other for encouragement and prayer. We provide that personal support to you through our small group ministry. Small

groups are a vital part of our ministry so please take the time to look at the bulletin board in the lobby for a small group that fits your interests.

### **Prayer Meeting**

We take seriously the power and necessity of prayer. We strive to make prayer a vital aspect in every area of ministry but, we set aside specifically one Sunday evening of every month at 6:30 pm to pray as a church family. We invite you to come and experience this time with us.

### **Frontline Visit**

Our Frontline team loves to spend time with new people. They would be happy to spend an evening with you at your home to get to know you better and answer any questions that you might have about the church. Don't be surprised if you get a phone call from one of them to set up a time.
